TRUTH IN ADVERTISING: I understand that this treatment is not a replacement for surgical or medical procedures and that there are no guarantees, implied or otherwise, as to the results or benefits that I may obtain from the treatment. I also understand that optimal results may not be obtained even if all procedures are completed and followed correctly. I also understand this procedure is a process and often requires multiple sessions to achieve desirable results and 100% success cannot be guaranteed.

INFORMED CONSENT: I hereby authorize the scalp micropigmentation procedure and hereby relieve this facility and its employees, affiliates or contractors and hold them harmless from all liability for injury that may occur to me. I

understand that this consent is being given in advance and is given voluntarily. I further understand that if I have any medical condition outlined above that I should first consult with my physician prior to beginning any program of this nature. The treatment professionals involved with this procedure shall not be liable for any injury or damages to any patient resulting from acts of active or passive negligence on the part of the treatment professional, its successors, assigns and any of the officers or agents of this facility.

I understand that photos will be taken to monitor and document progress and that will never be used on any reproductions of results, unless my permission is given.
